

**Parent's Night Out**  
**Pelican Pete's Big Auction for Pierpont Elementary**  
**Deadline for Auction Items: March 20, 2023**

Dear Community Member:

It is that time of year when we fundraise for our future 5th grader's trip to Catalina Island Marine Institute (CIMI); a three-day overnight camp. From Kindergarten on, the kids really look forward to this special 5th grade CIMI experience. Our Parent's Night Out and auction is the primary fundraiser to raise the \$20,000 needed each year to ensure that all of the children are able to have this experience.

This year our event will take place on **Thursday, April 27, 2023** at the beautiful **Water's Edge Restaurant**, located adjacent to the Pierpont community. This event will be attended by our school staff, families, and other members of our community. An evening filled with music, food, and silent/live auction items. We will primarily market the event to the nearly 300 families of Pierpont Elementary School and our local Pierpont Beach and Ventura Keys community. To make this event a success we need auction items donated.

It is the support and sponsorship from businesses like yours that help make our school the esteemed establishment that it is known as. Please consider donating a product or service and being a part of our wonderful cause. No item or amount is too big or small. \*Please note that some items donated may be grouped with others into a basket as an auction item. In addition, sponsors will be recognized on t-shirts or other merchandise exclusive to the event.

We hope that you are excited, willing and able to showcase your business at our event. For questions about donating, please contact any of the persons listed below. We would appreciate all donations by March 20, 2023. We can arrange donation pick-ups if needed. It takes a community to make an event like this a success. Our students truly benefit from your support.

Thank you in advance for your support.
